Vienna by car and received by the AJDC.

Excerpt from letter from SCHREIBER Jean, Vienna, to BENDERSKY Rufu, Bucharest, Str. Traian 15:

"Thursday we drove to Budapest by car; we were on the way the whole night and arrived in Sopron at half past seven in the morning. We wanted to cross the border the same night but were apprehended by Hungarian gendarmes within 500 meters of the border and were sent back.. We remained in Sopron until Monday and then started off for the Austrian border with a group of 200 people. There some cars were waiting for us but this time the Austrians apprehended us. I had to sacrifice 500 cigarettes and remained in the village until the next day. After having called up the Joint in Vienna, they picked us up by car and took us to Vienna."

Excerpt from letter from STERN Momy, Vienna, to GRUENBERG Leon, Bucharest, Str. Vitan 84.

"Monday we left Bucharest and arrived in Satu Mare at 5 o'clock, Thursday in Carol... 20 kilometers on foot.... crossed border at 4 o'clock and proceeded 50 km to Nuerbatar. Here we met an acquaintance of ours who is employed by the Joint. He is on the way to Bucharest to inform the organisation that they should send off everybody since it is only allowed until 15 May.

On Saturday we started for Budapest via Debresin, then we went by car to Sopron and with 200 more people crossed the Austrian border and finally reached Vienna by car."

Excerpt from the letter from HASCAL, Vienna, to HASCAL Maria, Bucharest, Calea Grivitei 201/

'I did not say farewell to you since I was not sure whether I would start or come over. Thank God I succeeded in covering all the distance within a short time and arrived safe and sound here.'

Excerpt from the letter from AMNDAY Banek, Vienna, to AVRAMESCU L., Bucharest, Str. Mitrop. Tilaret 89.

'I want to tell you that I am in Vienna for 2 days. The way I had to go was very difficult and dangerous but finally I succeeded with a bit of good luck.'
